PROFIT GUIDANCE FOR SIX MONTHS AND FULL YEAR ENDED 31 MARCH 2024

The Board of Directors (“**Board**”) of EuroSports Global Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) wishes to announce that, based on currently available information and a preliminary assessment of the unaudited financial results for the year ended 31 March 2024 (“**FY2024**”), the Group is expected to report a significant decrease in revenue with an increase in net losses for FY2024 as compared to the previous financial year. As announced in the half year ended September 2023’s result, higher car taxes for higher end cars announced in the Singapore Budget for 2023 had dampened the demand for higher end cars and the late arrival of the URUS S and URUS Performante had adversely affected our sales.

The Company is still in the process of finalising its unaudited financial results for FY2024. Further details of Group’s financial performance will be disclosed when the Company announces its unaudited financial results for FY2024 on or before 27 May 2024.

In meantime, shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company and to refrain from taking any action in relation to their securities which may be prejudicial to their interests. If in doubt about the action that they should take, shareholders should seek advice from their stockbrokers, bankers, solicitors, accountants, tax advisers or other professional advisers.
